

City of Olympia
NeighborWoods Program
Free Trees Application

Name of Applicant and/or Organization:

Street Address :

Phone:

Date applicant attended/will attend NeighborWoods Training Session: _____

Number participants attending: _____

Will the trees be planted on property owned by someone else? If Yes, Please provide the following:

Property Owner's Name:

Phone:

Address:

Site of proposed Project (Example: front of house, north side of house, both sides of street from Cherry to Plum, etc.)

[] Yes! Please contact me about my site being a demonstration planting site for a NeighborWoods workshop.

**Please note that while we try to keep our inventory list current, not all varieties of trees listed may be available at all times and numbers of a given variety may be limited.

Volunteer Tree Caretaking Pledge

I will plant the tree(s) in or near the City right-of-way for the enjoyment of my entire community. I will water my tree(s) during the summer months for the next 3 years. I will carefully watch over my tree(s) and let the City Urban Forester know if I think there is a problem. I will remove the tree stakes and ties, if such are used, after the first year. I will not use weed and feed type fertilizers around my tree(s). I will keep weeds and grass from growing in the mulch around the tree(s) and will keep my trees well-mulched. I will not use a weed whacker or lawn mower near my tree(s), as damage from this equipment is the #1 killer of young trees. Finally, I will never, never top my trees, nor allow them to be topped.

I have read and agree to follow the above conditions.

Olympia, WA 98507-1967

Conditions of participaton in the NeighborWoods Program:

- To qualify for NeighborWoods Free Trees both classroom and field training must be attended.
NeighborWoods trees must be planted along street frontage, so they function as street trees.
Trees will be limited to no more than 10 trees per participant or address.
Varieties and quantities shall be limited to trees growing in the city tree nursery.
Final species choice and planting location shall be subject to the Urban Forester's discretion.
