Transportation 2030
Westside and Downtown

Publication Date: 12/18/2014  Effective Date: 12/23/2014
Ordinance #6945

Level of Service (LOS) F*
- Existing Arterial
- Widening of Existing Arterial
- Future Arterial
- Existing Major Collector
- Widening of Existing Major Collector
- Future Major Collector
- Existing Neighborhood Collector
- Future Neighborhood Collector

**Notes:**
- On Strategy Corridors, level of service may fall below adopted standards. Widening may not be a solution to congestion on these streets.
- Other improvements are needed for mobility.
- In the downtown and along Urban Corridors, LOS F will be acceptable on arterial and major collectors. In the rest of the City and Urban Growth Area, LOS D is acceptable.
- The specific alignment of the future streets shown will be determined based on more detailed analysis during development review or City alignment studies.
- All widening projects will be built to current street standards.

* LOS will be allowed to fall below adopted levels of service at these sites. Some types of improvements are appropriate.
