

This list identifies the names of parties involved in developing and reviewing technical reports prepared for the Green Cove Park site. It includes their affiliation (private consulting firm or public agency) and the title and date reports were prepared.

## Geotechnical

| <i>Name</i>      | <i>Company</i>                  | <i>Report/Testing</i>           | <i>Date of Report</i> |
|------------------|---------------------------------|---------------------------------|-----------------------|
| Elizabeth McTyre | AMEC Earth & Environmental, Inc | Phase I ESA                     | 2004.04.02            |
| Lisa Palazzi     | Pacific Rim Soil & Water, Inc   | Preliminary Soil Assessment     | 2007.11.02            |
| Sherry Chilicutt | Libby Environmental, Inc        | Soil Testing for Phase II       | 2008.01.24            |
| Joseph Becker    | Robinson, Noble & Saltbush      | Phase II ESA                    | 2008.03.04            |
| Bernie Knoll     | Ages, LLC                       | Phase I ESA                     | 2015.01.30            |
|                  |                                 | Addendum                        | 2016.10.18            |
| Bernie Knoll     | Ages, LLC                       | Preliminary Geotechnical Report | 2015.01.30            |
|                  |                                 | Addendum                        | 2016.10.18            |
| Scott Riegel     | Earth Solutions NW, LLC         | Hydrogeological Assessment      | 2016.06.06            |

## Wetland Biology

|                   |                               |                                     |            |
|-------------------|-------------------------------|-------------------------------------|------------|
| Lisa Palazzi      | Pacific Rim Soil & Water, Inc | Wetland Delineation Report          | 1994.06.16 |
|                   |                               | Wetland Delineation Report          | 2005.03.14 |
|                   |                               | Revised                             | 2006.12.23 |
| Hannah Blackstock | Soundview Consultants         | Wetland Delineation                 | 2015       |
| Don Babineau      | Soundview Consultants         | Wetland Delineation Report          | 2016       |
| Jeremy Downs      | Soundview Consultants         | Wetland Delineation Report          | 2016       |
|                   |                               | Revised                             | 2018.09    |
| Bruce Sterling    | Landau Associates             | 3 <sup>rd</sup> Party Review - City | 2016.11.09 |
| Curtiss Wambach   | Envirovector                  | Tree Survey                         | 2018.12.19 |

## State and County Agencies

|                |  |
|----------------|--|
| Rebecca ???    | WA Dept of Ecology - Wetlands              |
| Zach Meyer     | WA Dept of Ecology - Wetlands              |
| Mark Koster    | Thurston County Health – Household Waste   |
| Gerald Tousley | Thurston County Health – Household Waste   |
| Carrie Gillium | WA Dept of Natural Resources – Reclamation |
| Eli Newby      | WA Dept of Natural Resources – Reclamation |
| Chris Johnson  | WA Dept of Ecology – Sand & Gravel         |
