1	should consider skateboarding element(s)	2/4/2018 10:16 PM
2	Too much w/outdoor classroom, nature play (playground??) that infringe on open rec meadow - keep it simple. There are playgrounds all over the place. Maintain peaceful, tranquil elegance of shoreline. Too much cement/parking planned.	2/4/2018 6:40 PM
3	Too broken up in central area	2/4/2018 6:21 PM

8	olympia really lacks in places to skateboard especially during the winter when it is raining	2/1/2018 5:24 PM
9	Enough parking for elderly and families and boaters. Too much of the park carved out for particular activities, not as much natural meadows. Only one boat launch.	1/31/2018 8:55 PM
10	It needs more riparian buffer along Garfield creek	1/31/2018 5:55 PM
11	Too much area landscaped and requiring expensive maintenance. Far too many parking stalls.	1/31/2018 1:37 PM
12	Restroom location	1/31/2018 1:25 PM
13	boat launch is small and requires too much interaction with folks doing other things in the park	1/30/2018 7:33 PM

15	Too bitty	1/30/2018 3:08 PM
16	It seems busy. Let it be open space.	1/30/2018 3:04 PM
17	I have no dislikes	1/30/2018 2:37 PM
18	would like fenced dog play area	1/30/2018 12:33 PM
19	The trail so close to the mouth of Garfield Creek, the Shoreline Setback is good, but the trail should remain straight instead of moving inland. I have no idea what an "Interpretive element" is. I have some concern about it feeling a bit cluttered, but it might be nothing. Location of the bathrooms could be closer to the parking and further from the rest of the park elements.	1/30/2018 11:49 AM
20	Don't need all that extended parking	1/30/2018 11:25 AM

38	The culvert will still be a barrier to fish access if the culvert under West Bay Drive is left unrepaired.	1/27/2018 4:48 PM
39	Needs rest rooms/shelters at Interpretive/View Mound & Bicycle/Pedestrian areas. The elderly, children, & handicapped need more consideration to fully make use of the park. How often would the outdoor classroom be utilized. Fit in more covered picnic areas. What is to be included in the Nature Play area? The green area above the vehicle parking area could be sport use area. Restrooms should also have drinking apparatus for people & pets. West Bay Park area also needs a rest room. All covered picnic areas & other areas with seating should have seating for more than 6 skinny people. Same with rest room stalls. More width, women with children & handicap stalls.	1/27/2018 4:31 PM

138	Needs 2nd restroom at Westbay park	1/20/2018 12:17 AM
139	empty space by parking lot, perhaps a dog park or community garden space would be good for this space.	1/19/2018 11:50 PM
140	Anything that requires long-term maintenance, city doesn't seem to have enough staff to maintain/enforce current assets	1/19/2018 11:45 PM
141	open play meadow	1/19/2018 8:54 PM
142	There's no bicycle parking	1/19/2018 7:22 PM
143	Ensure soft armoring of shoreline with native plants, rather than gravel berms; Unfortunate but a reality that more parking is needed!! Already parking lot is often full (can't tell from design if existing/expanded parking is being indicated); Needs covered structure (especially for education programs); No food vendor	1/19/2018 3:01 PM

147	lack of picnic shelter; outdoor classroom	1/19/2018 12:11 PM
148	The outdoor classroom, "nature play" and plaza. Expand the meadow and add playground equipment near the plaza area.	1/19/2018 11:47 AM
149	I would not like any trail connecting west bay park to west bay woods.	1/19/2018 10:56 AM
150	outdoor classroom	1/19/2018 9:52 AM
151	I don't know what "nature play, "outdoor classroom" and the "plaza (other recreation)" are supposed to be. Will any of these areas be sheltered from the rain? Please limit the amount of concrete. There's too much at West Bay Park. The mound is weird to me. People can get views from the bridge.	1/19/2018 9:52 AM
152	Improved boat launch should be as close as possible to roundabout where users stop and unload, so a few meters NW of indicated location. The large yellow section implies an overdeveloped area. It should be grass and native foliage.	1/19/2018 9:30 AM

157	most of it...it's too busy. I like the park laid back like it is currently but I love the idea of getting there from Capitol Lake. The meadow would be great to picnic and play in	1/18/2018 10:45 PM

165	Concern for exposure to sediment contamination - add full showers or hoses to rinse feet.	1/18/2018 6:50 PM
166	Not sure how important the "Interpretive Element" is, or exactly what it would be. A quiet, more intimate dell would suit me better.	1/18/2018 5:41 PM
167	Open play meadow, interpretive element	1/18/2018 5:35 PM
168	plaza, nature play? don't know what that means	1/18/2018 5:20 PM
169	parking	1/18/2018 5:08 PM
170	outdoor classroom.	1/18/2018 5:06 PM
171	Open play meadow - people with dogs will dominate the space, and it will be unusable to everyone else. I'd also like fewer parking spots.	1/18/2018 4:44 PM

1	overlook, viewpoints, mobile food vendor	2/4/2018 10:16 PM
2	Better! The pavillion for education/classroom flows better closer to Garfield trail. Makes more sense here than in Alt. 1 plan.	2/4/2018 6:40 PM

18	beach restoration, restrooms, grand staircases	1/30/2018 12:33 PM
19	I love the staircases coming down from the main road. I think I like the location of the outdoor classroom and pavilion better on this one. I like the space for a food vendor to be present. Hand Carry Boat Launch Improvements are definitely needed.	1/30/2018 11:49 AM
20	Defined separation between the open play meadow and the educational pavilion (unmowed area). One of the grand staircases drops into the "classroom" areal. I'm assuming the solid orange line is a multi-use trail - I like how it goes through the entire park and it separate from the walking paths. Large meadow area keeps options open for changing activities/programming.	1/30/2018 11:26 AM

28	more simple, open layout. Seasonal foodtruck sounds interesting. Grand staircase overlook is a great pedestrian feature. I like that there is no playground equipment so kids can engage with the place directly: looking in the water, looking for agates, rolling down the hills, etc.	1/29/2018 4:46 PM
29	I like that it's less planned and more natural than 1	1/29/2018 1:02 PM
30	Utilize the old train tracks, making a new safe walking area that is unique and beautiful.	1/29/2018 10:36 AM
31	Seems better in its simplicity	1/29/2018 10:19 AM

36	The trail is paved, parking is limited, simple open meadow, food vendor	1/28/2018 10:35 AM
37	Food vendors in park	1/27/2018 5:10 PM
38	I like the staircase. It would make it more convenient to access the park. I like the unmowed segment for the education pavillion. I like the mobile food vendor.	1/27/2018 4:48 PM
