OPEN FIELD!

Come share your dreams about:
YAUGER Park • LBA Park • STEVENS Field

Thursday, November 19

5:30-7pm

The Olympia Center

It's not an open house, it an "open field!" Why? In 2009 we have experienced a transition in users. This is a great time to look at the needs of Olympia athletic field users and consider changes. Whether you have input regarding fee structures, field dimensions, field layout or something completely new, please come and share.

Parks, Recreation and Planning staff will be available to discuss one on one or in a small, informal group setting. Come help us help you!
