

Foam (Polystyrene) Recycling

DART Container Corporation is now accepting polystyrene cups, containers and packaging foam at their new drop-off location: 600 Israel Rd. SW, Tumwater.

Make sure your foam has the  symbol.

- Foam cups, bowls, take-out containers and clamshells are acceptable.
- Foam packaging (block foam) is acceptable (*packing peanuts are not acceptable*).
- Place all items in a clear bag that is sealed.
- Rinse cups & containers to rid them of food.
- Put packaging foam in a separate bag from your food service containers.

No straws, lids or packing peanuts (local mailing stores accept these).
