

Private Portal – View Applications

View Applications

You have the option of viewing your active, expired, and closed permit applications at any time. You will be able to see any application associated with your account, whether applied for in person or via the online portal.

To View:

1. Click the **View** button under My Applications.

2. A list of permit applications associated with your account will appear. To view, click on the **Permit Number**.

Active

Permits [Click to View](#)
