

Public Portal – Public Notices

Public Notices

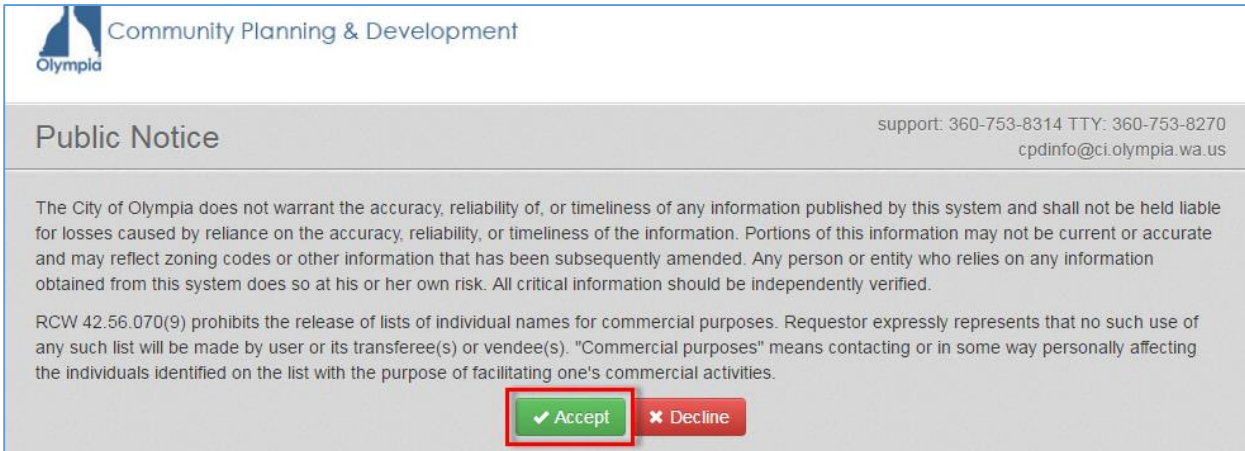

The public notices feature allows you to search for public notices and related public information.

To View:

1. Select **Go** under Public Notices.

2. Read and **Accept** the Public Notice disclaimer.

NOTE: The permit information shown in the images do not reflect any actual permits.

Updated: 7/3/2017

- A list of projects with Public Notices will appear. You can search for specific projects by number, address, name, or contractor.
