

Toilet Rebate Application

If you are a City of Olympia Water Customer on septic and are purchasing an ultra-high-efficiency toilet (UHET), you may be eligible for a \$100 rebate!

UHETs use an average of 30% less water than 1.6 gallon per flush toilets. Residential customers are eligible for up to three toilet rebates per installation address.

To apply for the rebate, submit the following:

- Completed and signed rebate application
- A copy of your current City utility bill
- A copy of your purchase receipt, including store name, date purchased, brand purchased, model number, purchase price and proof of payment

Terms & Conditions

Toilets must be rated MaP PREMIUM, using 1.1 gallons or less per flush and having a MaP test score of 600 or greater. Dual-flush toilets are not eligible unless they are rated MaP PREMIUM. Limit 3 toilet rebates per installation address. Applications must be submitted within 6 months of purchase. Rebated toilets must be used to replace toilets that use 1.6 gallons or more per flush. Qualifying toilets purchased for less than \$100 will be rebated at the purchase price, plus applicable sales tax.

Acceptance of Terms & Conditions

I have read, understand, and agree to the terms and conditions of the rebate offer. I certify that the toilet(s) described above has been purchased and installed at the location indicated. City of Olympia staff has the right to inspect the installation upon request or the rebate is subject to repayment.
